

When Spending Tobacco Or CWA Money

Remember Your COMMUNITY STORE

No institution in America is more worthy of support than the community store or business place. Do you ever stop to think of the problems the community merchant faces? He has seen his trade drift to the larger centers, yet he is supposed to carry on and more than likely extend you credit in the slack months. Give him a square deal and spend your cash with him too.

Spend with these Stores in your home neighborhood!

Oakville offers you fair trade at home. Our merchandise can and does compete with the best. Amoco Gas and oils, Groceries, Overalls, Shoes and general merchandise. Build up and maintain your home community by spending your cash where it will do the most good.

Death of Mrs. Anna Woolridge

Mrs. Anna C. Woolridge, age 85, died at the home of her daughter, Mrs. J. A. Martin on February 20 at 1:45 P. M., where she had made her home since the death of her husband, A. S. Woolridge, two years ago.
Mrs. Woolridge had been in failing health since the death of her husband. She was a devoted mother and a devoted wife. She was the last of eight children of the late Danby E. and Appolonia Woolridge, of this county, who were known for their integrity, honesty and straightforward dealing.
Liberty church was really founded in the home of her grandfather, Billy Woolridge, where services were held until the church was organized. The pulpit was burned when the home was burned several years ago.
She leaves to mourn the loss, one son, one son, Frank Woolridge, of Richmond; one sister in law, Mrs. Emma Martin, of Roanoke; two brothers in law, G. Walker Woolridge, of Bedford and J. L. Martin, of Petersburg. Funeral services were conducted from the home by her pastor, the Rev. W. Thompson, assisted by the Rev. W. S. Royall, of Lynchburg. Interment was in Liberty Cemetery.

We say... "Spring at this chance before Spring!"
DO YOU KNOW why so many people are buying tires earlier than usual this year? ... Every one believes prices are headed upward--and thinking drivers figure it's no saving to run risks while using up old rubber, only to pay more for new tires later. Invest now in a whole new set of Goodyears--you'll be glad you acted on our advice.

GOOD YEAR
We have guaranteed Goodyears at lower prices than our All-Weather shown here--but more people buy the All-Weather! Tires are still so low in price that, unless you're trading in your car this Spring, it's best to invest in the best. That way you spread the benefit of today's great values over the most months and miles.

STILL PRICED as low as \$7.40
*Prices subject to change without notice and to any State action.

Proses That Government License And Supervise All Tobacco Warehouses

Congressman John W. Flannery, of the ninth district, has proposed a system of government license and supervised warehouses for the sale of all types of tobacco. It was learned this week that it is not known what congress will do with the proposal, however. The agricultural committee may approve the proposal and bring it before the house. The bill was drafted after consultation with the agricultural adjustment administration.

"I get better quality leaf with Royster Field Tested Fertilizer"
AND so will you. It stands to reason that if you're growing tobacco you ought to use the fertilizer that has stood the test of time in the tobacco field for nearly 50 years. That means Royster's. It's field-tested to make sure it will give you good color, good texture and good body. And that's the kind of leaf that brings real money on the warehouse floor.
Don't take any chance when you buy your fertilizer. Remember this: Royster's is made in one quality only--the best. You can pay more or you can pay less, but you cannot buy better fertilizer for growing tobacco.
Royster experts are continually studying tobacco, learning all there is to know about fertilizing it. They never stop experimenting and improving. They test every fertilizer in the laboratory, then field-test it in the tobacco field. Only refined materials are used to make sure that the purchase obtainable go into Royster sacks. As a result, we know that Royster Tobacco Fertilizer will give you the results you want.
See your Royster agent today and let him know how many tons you need.

Editorial
COSTS US PLENTY
The United States has spent more money than any other world power in preparation for war in the past ten years. Yet, we are told that we have not adequately prepared. Admiral Sims, who commanded the American navy in the world war and ought to know, is quoted as having said that in event of another war our navy had best hide as far as possible in the Mississippi river for safety. One bomb from a plane will sink a forty million dollar battleship.
After the last war we built some 15 new battleships, at some forty million each. When our statesmen went over to a conference and ordered the most of them sunk. Now congress has authorized a new program of building.
The Times-Virginian believes that there is profit in war or in preparation for war. The profit on building a forty million battleship, we are told, four million or greater. The theory that a strong defense is a guarantee of peace is full of holes. If all the politicians are clear of from Washington lobbyists, and a businesslike inventory taken of our defense requirements, we will discard battleships and tear into the sea being placed on the grading of in so doing, save a pretty penny.

Tobacco Grading
One of the best moves to hit this section in recent years is the emphasis being placed in the grading of tobacco. Laws are very strict on the grade and quality labels that go on commercial products. Why not on products of the farm? Build up a standard article, maintain its quality, and it will sell.

In memoriam
In sad but loving remembrance, of our dear mother, Mrs. C. D. Almond, who departed this life 11 years ago March 4, 1923.
I shall never forget the day, When an angel came and whispered I must take your mother away. We often think of her dear mother, A voice we loved is still. There is vacant place in our home That never can be filled. Gone, but not forgotten. Her children.

Get Real Relief From Monthly Pains
SEVERE monthly suffering is a sign of warning. If you are having aches and pains every month, heed the warning. See what is wrong with you. Treat the CAUSE of the trouble. When women suffer from monthly pains, it is due to a weak, run-down condition. Take CARDIOL. It has been used by women for over 10 years. It is a purely vegetable medicine and it cannot harm you. Thousands of women have said that when they obtained relief from their monthly pains, they felt their strength with the help of CARDIOL. It has been found to be a most effective remedy for all cases of monthly pains. If you suffer this way, try CARDIOL, which you can get at the drug store.
